Dear Mr. Osika:

Per our conversation of June 1, 1992 please find attached the following:

- 1) Access Agreement for pending sampling effort;
- 2) Sampling Plan for pending sampling effort;
- 3) Trip report for site visit of April 29, 1992;
- 4) Photos from site visit and aerial photos of site.

I trust that the documents are in order and that EPA and UPCM can move to an agreeable sampling effort in the near future.
